ITEM NO. 2 OF THE NOTICE :

Mr. Madhav R. Chandrachud (holding DIN 06419028) retires by rotation and being eligible, offer himself for re-appointment.

Mr. Madhav R Chandrachud (aged 66 years) is a graduate in Mechanical Engineering from College of Engineering, Pune and has done his Masters in Business Administration in IMDR, Pune.

He started his career in Kirloskar Oil Engines Ltd., as a Management Trainee to finally retire as a Vice President & Strategic Business Unit Head for Large Engines, in the same company in June 2012. Heading almost all the functions, mainly Manufacturing, Engineering, Quality Assurance & Marketing, mostly associated with Large Engines, enabled him to bring about significant changes in the Business Unit he headed for around 6 years.

Being a management professional throughout, Projects/Contracts management is his core competency. Successful management of two foreign collaborations and the international exposure to technology & vendor management shaped him as a successful leader.

Presently, he is a President of Kirloskar Proprietary Ltd., Pune.

He is not a Director in any other Company. He does not hold any equity share in the Company.

He is not related to any other Director on the Board of Directors of the Company.

He is a Chairperson of Stakeholders' Relationship Committee and member of Audit Committee and Nomination and Remuneration Committee.

Save and except, Mr. Madhav R Chandrachud and his relatives, to the extent of their shareholding interest, if any, in the Company, none of other Directors/Key Managerial Personnel of the Company/their relatives are, in any way, concerned or interested, in the said resolution.

The Board recommends the Ordinary Resolution set out at Item No. 2 for approval by the members.

ITEM NO. 4 OF THE NOTICE

The Board of Directors of the Company appointed, pursuant to the provisions of Section 161(1) of the Companies Act, 2013, and the Articles of Association of the Company, Mr. Pawan Jasraj Rathi (holding DIN: 06669485) as an Additional Director (Non Executive an Independent) on the Board of the Company with effect from 16 May 2019.

In terms of the provisions of Section 161(1) of the Companies Act, 2013, Mr. Pawan Rathi would hold office upto the date of the Annual General Meeting.

The Company has received a notice in writing from a member under Section 160 of the Companies Act, 2013, proposing the candidature of Mr. Pawan Rathi for the office of Director of the Company.

He is not related to any other Director on the Board of Directors of the Company.

Mr. Pawan Rathi is not disqualified from being appointed as a Director in terms of Section 164 of the Companies Act, 2013, and has given his consent to act as a Director.

Pursuant to the provisions of Section 149 of the Companies Act, 2013, an independent director can hold office for a term upto 5 (Five) consecutive years on the Board of a company and as per Section 152 of the Companies Act, 2013, he shall not be included in the total number of directors for retirement by rotation.

The Company has received a declaration from Mr. Pawan Rathi that he meets with the criteria of independence as prescribed both under Sub-Section (6) of Section 149 of the Companies Act, 2013 read with SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

In the opinion of the Board, Mr. Pawan Rathi fulfills the conditions for his appointment as an Independent Director as specified in the Act and will hold office as an Independent Director upto 15th May, 2024.

Mr. Pawan Rathi (aged 38 years) is currently working as Chief Financial Officer with Panchshil Realty, a leading real estate brand in Pune. He is a Chartered Accountant by profession having 15 plus years of experience in the fields of accounts, finance and banking. He started his career with global software and KPO brands like Amdocs, BNY Mellon and further expanded his experience to Manufacturing and Banking sector before coming in Real Estate. His areas of expertise are fund raising including PE, project feasibility analysis, setting up and streamlining business processes.

MANAGEMENT DISCUSSION & ANALYSIS REPORT:

- This section includes discussion on the following matters within the limits set by the Company's Competitive position:**

(A) INDIAN ECONOMY

India is still the fastest growing major economy in 2018-19. India's ranking improved by 23rd to 77th position in 2018 among 190 countries assessed by the World Bank Doing Business (DB) Report, 2019. The Growth of GDP moderated to 6.8 per cent in 2018-19 from 7.2 per cent in 2017-18. Inflation contained at 3.4 per cent in 2018-19. Prospects of pickup in growth in 2019-20 subject to further increase in private investment and acceleration in consumption.

Agriculture sector in India typically goes through cyclical movement in terms of its growth. Gross Value Added (GVA) in agriculture improved from a negative 0.2 per cent in 2014-15 to 6.3 per cent in 2016-17 but decelerated to 2.9 per cent in 2018-19. 89% of groundwater extracted is used for irrigation. Hence, focus should shift from land productivity to 'irrigation water productivity'. Thrust should be on micro-irrigation to improve water use efficiency.

The Indian food industry, the food and grocery market, is the 6th largest market in the world and it contributes to 70% of the total sales. Talking about the contribution within the country, the food processing industry has a share of 32% in the nation's total market. In terms of production, consumption, and exports, it is ranked as the 5th largest industry in India. The Indian gourmet food market is valued at USD 1.3 billion and is growing at CAGR of 20%. The Government of India has allowed 100 per cent FDI in marketing of food products and in food product e-commerce under the automatic route. The food industry in India has, in the last few years, seen a lot of foreign investment. The CII has predicted that the food processing sector has the potential to attract around USD 33 billion FDI in the next ten years. It has brought in many overseas players as rice milling machinery suppliers which has drastically increased competition in the industry.

The Government has set a target of doubling of farmers' income by the year 2022. The Government has constituted an Inter-Ministerial Committee. Parallely, the Government is aiming to reorient agriculture sector by focusing on income centeredness. In order to realise net positive returns for the farmer, schemes are being promoted and implemented in a major way through the States/UTs. A Minimum Support Price (MSP) is notified for both Kharif & Rabi crops based on the recommendations of the Commission on Agriculture Costs & Prices (CACP). The Government has increased the Minimum Support Prices (MSPs) of all kharif crops for 2018-19 Season with the pre-determined principle of fixing the MSPs at a level of at least 150 percent of the cost of production announced by the Union Budget for 2018-19. The price rise in raw material paddy puts extra pressure on rice millers as market price for rice remains steady.

G. G. DANDEKAR MACHINE WORKS LIMITED

For an agri based industry, rainfall prediction is a key factor and any deviation to normal rainfall affects it adversely. Last year Rains were 91 percent of the long-term average at the end of the July-September monsoon season, compared with a forecast of 97 percent. Overall normal rainfall will be useful for rice production and in turn will maintain demand for Rice Milling Machinery.

(B) INDUSTRY STRUCTURE AND DEVELOPMENT

The Company's main business is to manufacture Food Processing Machineries especially for Rice Milling. A rice milling machine should ensure consistency in quality of the end product and hence enhance the economic value of the raw material. With over a century of experience, the Company products are benchmark for the Rice Milling industry. The Company also offers consolidated solutions for Rice Milling projects from conceptualization of turnkey mill to improving and modifying existing mills and enriched with the experience of successful business and installation of machineries in all regions and globally.

(C) OPPORTUNITIES AND THREATS

The rice mill machinery business has seen lot of changes during last few years which is likely to change the way traditionally business is done. Every year new overseas players are entering Indian rice milling machinery market with their latest technology through various routes like buying out existing companies, direct marketing through own subsidiary company, by appointing local agents etc. The rice milling machinery market is shifting from Traditional machines to newly introduced machinery mainly by overseas players. The growth in competition and technology has compelled existing players to shift from traditional machines to new technology machines.

Sensing the shift in the market, the company has consolidated its business in traditional machinery and is working on development of machinery with latest technology. The Company always had a focus on Research & Development activities and has successfully upgraded traditional products. The company is in process of developing several new products.

To tap government funded projects, the Company is working in tune with the government initiative to promote farmers consortium for rice milling activity. It has developed small capacity mills to cater to these requirements. This activity has opened up a new market for small capacity full mill business.

The company is also working on joining hands with experienced manpower having knowledge of latest technology, manufacturing techniques and process technology required by the market. The company has experienced good demand for latest products from its loyal customers and will be able to tap it with the present on going activities as mentioned above.

To increase footprint, the Company has supplied and commissioned several full mills across India which are good reference to attract new buyers. It addresses business in new growing markets and helps to reduce dependency on traditional markets. It will help the company to maintain business equilibrium averaging business coming in from many regions.

(D) SEGMENT-WISE PERFORMANCE OR PRODUCT-WISE PERFORMANCE

The Company has maintained its customer base and leadership in traditional flagship products like Dandekar Cone Polishers and Table type Paddy Separator. In current market scenario, New Product Development is an ongoing continuous activity and the Company has progressed well with addressing more than 21% business through new products. The Company has done major business in Polishing and Grading section.

(E) OUTLOOK

India is the second largest producer of rice after China and the largest exporter in the world. It supplies almost 20% of the total rice exports. The country did suffer from financial stress due to weak international demand and excess of paddy supply but it is been expected that it would rebound in coming years.

In the last one decade, the rice industry in India has seen a major transformation, due to the growth of branded businesses in that of the domestic market and a strong impetus to export. The prominence of this industry has attracted a significant number of traders and buyers from all over the world. In the near future, the demand for export of rice is been expected to improve further, with China and Iran increasing their imports of Indian rice. Along with that, the steady domestic demand growth would add to the overall improvement for the industry.

In India, rice sales are largely unbranded in nature. The unbranded unorganised sector accounts for around 60% market share. However, the rising penetration of organised retail as well as customer awareness have forced players to

turn their attention towards establishing brands. These brands and overseas buyers look for branded rice milling machineries to process the rice with better hygiene and quality increasing demand for machinery with latest technology.

Also in last few years there has been an increase in the number of foreign players in the rice milling market in the country. The reason lies in the supportive policies and regulations, which promote new rice mills and the government offers various facilities to the new entrants in the market. This has offered flourishing market for the international rice milling machinery manufacturers in India or overseas.

(F) RISK AND CONCERNS

Risks of critical importance have been identified over a period of time. These risks are ranked on the basis of their impact on company's business and likelihood of their occurrence. A cross functional team takes stock of these risks and calls for necessary measures to mitigate the risks from the concerned risk owners. The risk owners then produce action plans for risk mitigation which is then evaluated by the team. New risks are added with the changes in economic and market scenarios and undergo the same process.

Identified risks include:

- Latest technology superseding traditional products: Overseas entrants and their subsidiaries has brought in new technology and it is picking up eating market share of traditional machines.
- Reduction in rice millers margin reducing their investment budgets: Steady market prices, Minimum support price for paddy from government, rising labour cost etc. has reduced Rice millers margin which has affected the requirement of new rice mills and machineries.
- Rise in low cost local machinery manufacturers, dividing existing business amongst many smaller suppliers.

(G) INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has adequate internal control systems to ensure operational efficiency, accuracy and promptness in financial reporting and compliance of various laws and regulations.

The internal control system is supported by the internal audit process. An Internal Auditor has been appointed for this purpose. The Audit Committee of the Board reviews the Internal Audit Report and the adequacy and effectiveness of internal controls periodically.

(H) COMPANY'S FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

During the financial year under review, your company has achieved turnover of Rs. 476.84 Lakhs (previous year Rs. 880.07 Lakhs). The Loss before exceptional items and tax for the period is Rs. 307.49 Lakhs (as against Loss of Rs. 381.81 Lakhs during FY 2017-18). The net loss for the period is Rs. 495.77 Lakhs (as against net profit after taxes Rs. 221.82 Lakhs during FY 2017-18).

(I) MATERIAL DEVELOPMENT IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FORMAT, INCLUDING NUMBER OF PEOPLE EMPLOYED

The Company seeks to recruit and retain quality industry professionals and provide them with a high performance environment.

Independent Auditor's Report

To the Members of
G. G. Dandekar Machine Works Limited,
Nagpur.

Report on the audit of the Standalone Financial Statements

Opinion

1. We have audited the accompanying standalone financial statements of G. G. Dandekar Machine Works Limited ("the Company"), which comprise the Balance Sheet as at 31 March 2019, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, including Ind AS specified under Section 133 of the Act, of the state of affairs (financial position) of the Company as at 31 March, 2019, and total comprehensive income (financial performance comprising loss and other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
5. Description of each key audit matter in accordance with SA 701.

1.	<p><u>Disrupted activity of manufacture and sale of Food Processing Machinery:</u></p> <p>After shifting the manufacturing operations from Bhiwandi to Nagpur in FY 2014-15, Company's manufacturing activity was expected to be disrupted temporarily. However, the company has not been able to stabilise the activity even though significant time period has elapsed since the shifting. The activity is also facing a situation of negative working capital. This has resulted in piling up of creditors even after the funds infusion. This has also adversely affected the manufacturing schedules and consequently resulted in delays in execution of sales orders.</p>	<ul style="list-style-type: none"> • We discussed with the Management and Management informed us initiatives/ efforts taken by the Company to streamline the operations. • Accordingly, the management is making funds available by selling of investments as and when required. In this regard, the Company has recognised provisions and has disclosed contingent liabilities as at March 31, 2019.</p> <p>Significant management judgment is required to assess these matters and to determine the probability of material outflow of economic resources and whether a provision should be recognised or a disclosure should be made.</p> <p>We focused on this area as the ultimate out come of the matters is uncertain and the positions taken by the management are based on the application of judgement, related legal advice.</p>	<p>Our audit procedures include the following:</p> <ul style="list-style-type: none"> • We read and analysed relevant correspondences, external legal consultations undertaken by the Management for uncertain tax positions; • We discussed with the Management and evaluated Management's assumptions in estimating the tax provisions and assessed Management's estimate of the possible out come of the disputed cases.

Other Information

6. The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditors report thereon.
7. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
8. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

9. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("the Rules").
10. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone IndAS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
11. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the audit of the financial statements

12. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in

accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

13. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
14. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
15. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
16. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

17. As required by the Companies (Auditors' Report) Order, 2016 ('the Order'), issued by the Central Government of India in terms of section 143(11) of the Act, we enclose in "Annexure-A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
18. As required by sub-section 3 of Section 143 of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

G. G. DANDEKAR MACHINE WORKS LIMITED

- e) On the basis of the written representations received from the Directors as on 31 March, 2019, and taken on record by the Board of Directors, none of the Directors are disqualified as on 31 March, 2019 from being appointed as a Director in terms of section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure-B" to this report.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements;
 - ii. The company did not have any long-term contracts, including derivative contracts, for which there were any material foreseeable losses; and
 - iii. There were no amounts, which were required to be transferred to the Investor Education and Protection Fund by the Company.
- h) With respect to the matter to be included in the Auditors' Report under section 197(16):
- In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

“Annexure–B” to the Independent Auditor's Report

(Referred to in Paragraph 18(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013('the Act')

1. We have audited the internal financial controls over financial reporting of G. G. Dandekar Machine Works Limited (“the Company”) as of 31 March, 2019 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act 2013 ('the Act').

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the 'Guidance Note' issued by the ICAI and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

6. A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2019, based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note issued by the ICAI.

NOTES TO THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31 MARCH, 2019**1. Company Overview:**

G. G. Dandekar Machine Works Limited ('the Company') is a Public Limited Company domiciled in India, incorporated under the provisions of the Companies Act applicable in India and listed on BSE. The Registered Office of the Company is situated at 211/A, MIDC Butibori Industrial Area, Kinhi Village, Tal. Hingna, Dist. Nagpur 441122.

The Company is engaged in the manufacturing of "Food Processing Machineries".

These standalone financial statements were approved for issue by the Board of Directors on 16 May, 2019.

2. Basis of Preparation, Presentation and Measurement:

These financial statements of the Company comply in all material respects, with the Indian Accounting Standards ('Ind AS') notified under Section 133 of the Companies Act 2013 ('Act'), read together with the Companies (Indian Accounting Standards) Rules, 2015 ('Rules'), as amended and other relevant provisions of the Act.

These financial statements have been prepared on accrual basis and under historical cost convention, except for certain financial assets and financial liabilities that have been measured at fair value.

These financial statements are presented in Indian Rupees (?), unless otherwise stated.

3. Basis of Current and Non-Current Classification:

All assets and liabilities have been classified as Current or Non-Current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Act. Based on the nature of the activities and the time between acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of Current/ Non-Current classification of assets and liabilities.

4. Use of Estimates:

The preparation of Financial Statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that may affect the reported amounts in the Balance Sheet, Statement of Profit and Loss and related disclosures of the contingent liabilities and others at the end of each reported period.

The estimates are based on the management's best knowledge of current events and actions. However, due to uncertainties relating to these judgments, assumptions and estimates, the actual amounts may differ. Estimates and underlying assumptions are reviewed on ongoing basis on each reporting date and may change from period to period. Appropriate changes in estimates are made prospectively, when the management becomes aware of changes in circumstances surrounding the estimates and the differences, if any, between the actual results and estimates are recognized in the period in which the results are known or materialized and, if material, their effects are disclosed in the notes to the Financial Statements.

5. Significant Accounting Policies:**5.1. Property, Plant and Equipment (PPE)-**

An item of PPE is recognised when it is probable that future economic benefits associated with the item will flow to the Company and cost of the item can be measured reliably. PPE is stated at its original cost net of tax / duty credits availed, if any, but including borrowing costs for qualifying assets and other attributable costs incurred for bringing the asset to its working condition for its intended use, less accumulated depreciation and cumulative impairment, if any.

Subsequent expenditure incurred is included in the asset's carrying amount appropriately, only when it is probable that future economic benefits associated with the item will flow to the Company and cost of the item can be measured reliably. All other repairs and maintenance expenses are charged to the statement of Profit and Loss during the reporting period in which they are incurred.

Items of PPE not ready for its intended use on the reporting date are disclosed as "Capital Work in Progress".

An item of PPE is de-recognized upon disposal or when retired from active use when no future benefits are expected from its use. Gains/ losses on de-recognition are recognized in the statement of Profit and Loss.

5.2. Intangible Assets-

An Intangible asset is recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the Company and the cost of the asset can be measured reliably and is stated at cost less accumulated amortization and impairments, if any.

Software, which is not an integral part of the related hardware, is classified as an intangible asset.

The carrying amount of an intangible asset is de-recognized on disposal or when no future economic benefits are expected to flow from its use or disposal. The gain or loss arising from de-recognition is recognized in the Statement of Profit and Loss.

5.3. Depreciation and Amortization-

- a. Depreciation on fixed assets is charged on Written Down Value method using the useful lives and residual values of all the assets, as prescribed under Part – C of Schedule II to the Companies Act, 2013, except as stated in para (b) & (c) below
- b. Leasehold land is amortized on straight line basis over the period of lease.
- c. Computer Software are being amortized on Straight Line basis over a period of 6 years.

5.4. Non- Current Assets Held for Sale-

The Company classifies non-current assets as held for sale if their carrying amounts are expected to be recovered principally through sale transaction rather than through continuing use. Non-current assets, classified as held for sale are measured at the lower of their carrying amounts and the fair value less costs to sell. The criteria for assets held for sale classification is regarded as met only when the sale is highly probable and the asset is available for immediate sale in its present condition.

5.5. Impairment of Non-Financial Assets-

As at each reporting date, the Company assesses the situation, whether there is an indication that a non-financial asset is required to be impaired and also whether there is an indication of reversal of impairment, if any, recognized in the previous periods. The impairment loss, if any, is recognized in the statement of profit and loss. A previously recognized impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation, if there was no impairment.

5.6. Financial Instruments-

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a) Financial Assets-

i. Initial Recognition

All financial assets are recognised initially at transaction value and where such transaction values are different from fair value, at fair value plus transaction costs that are directly attributable to the acquisition of the financial assets that are not recognised at fair value through profit and loss account.

ii. Subsequent Measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

Financial Assets measured at Amortised Cost

Financial assets are subsequently measured at amortised cost, if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows and the contractual terms of the financial assets give rise, on specified dates, to cash flows that are solely payments of principal and interest on the principal amount outstanding. Subsequent measurement is done using effective interest rate (EIR) method and resultant interest income from these financial assets is included in finance income. Impairment losses and reversals thereof arising on these assets are recognised in the Statement of Profit and Loss.

Financial Assets Measured at Fair Value through Other Comprehensive Income

Financial assets are measured at fair value through Other Comprehensive Income (OCI), if financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows and to sell financial assets and the contractual terms of the financial asset give rise, on specified dates, to cash flows that are solely payments of principal and interest on the principal amount outstanding. Subsequent measurement, until they are derecognised or reclassified, is done at fair value and unrealised gains and losses

are recognised in other comprehensive income except for the recognition of impairment losses and reversals thereof, interest revenue and foreign exchange gains and losses are recognised in the Statement of Profit and Loss.

Financial Assets Measured at Fair Value through Profit or loss

Financial assets are measured at fair value through Profit or loss unless it is measured at amortised cost or at fair value through OCI. Subsequent measurement is done at fair value and unrealised gains and losses are recognised in the statement of profit and loss.

iii. Impairment of Financial Assets

In accordance with Ind AS 109, the Company applies the expected credit loss ("ECL") model for measurement and recognition of impairment loss on financial assets and credit risk exposures. The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

The impairment provisions for financials assets are mainly based on past history, assumptions about risk of defaults, expected loss rates and timing of cash flows. As a practical expedient, the company uses a standard provision matrix. The company applies standard ECL impairment allowance based on ageing of receivables to estimate the provision amount. However, if credit risk has increased significantly, lifetime ECL is used.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive after applying a standard provision matrix. ECL impairment loss allowance or reversal thereof is recognised in the Statement of Profit and Loss.

iv. De-recognition of Financial Assets

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

b. Financial Liabilities-

i. Initial Recognition

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs that are not recognised at fair value through profit and loss account.

ii. Subsequent Measurement

For the purposes of subsequent measurement, financial liabilities are classified and measured as follows-

Financial liabilities at FVTPL

Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVTPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Financial liabilities at amortised cost

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in the Statement of Profit and Loss. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

iii. **De-recognition of Financial Liabilities**

Financial liabilities are de-recognised when the obligation specified in the contract is discharged, cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

5.7. **Borrowing Costs-**

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset, that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as a part of the cost of the asset. All other borrowing costs are charged to the Statement of Profit and Loss in the period in which they occur.

5.8. **Inventories-**

- a. Raw material, components, stores and spares are valued at lower of cost measured on weighted average cost basis or net realizable value. However, these items are considered to be realizable at cost if the finished products in which they will be used, are expected to be sold at or above cost
- b. Work in Progress relating to manufacturing is valued at lower of cost of production or net realizable value.
- c. Finished Goods are valued at lower of cost or net realisable value. Cost includes related overheads.

5.9. **Foreign Currency Transactions-**

The functional currency and presentation currency of the company is Indian Rupee. Transactions in currencies other than the company's functional currency are recorded on initial recognition using the exchange rate prevailing on the date of transaction. The date of transaction for the purpose of determining the exchange rate to be used for initial recognition of the related asset, expense or income is when the advance consideration in foreign currency is received or paid. At each Balance Sheet date, foreign currency monetary items are restated using the closing rate. Non-monetary items are measured at historical cost and are not retranslated. Exchange differences that arise on settlement of monetary items or on restating of monetary items at each Balance Sheet date at the closing rate are recognised in the Statement of Profit and Loss in the period in which they arise.

5.10. **Provisions, Contingent Liabilities and Contingent Assets-**

a. Provisions are recognized only when-

- i. the Company has a present obligation as a result of past event (legal or constructive);
- ii. a probable outflow of resources embodying economic benefits will be required to settle the obligation; and
- iii. the amount of obligation can be reliably estimated.

Provision is measured using cash flows estimated to settle the present obligation. The carrying amount of provision is the present value of those cash flows.

b. Contingent liabilities are disclosed in case of:

- i. a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation,
 - ii. a present obligation arising from past events, when no reliable estimate is possible,
 - iii. a possible obligation arising from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.
- c. Possible obligations arising from past events where likelihood of actual outflow of resources is remote are not considered as contingent liabilities.
- d. Contingent assets are neither recognized, nor disclosed.
- e. Provisions and Contingent Liabilities are reviewed at each Balance Sheet date.

5.11. **Revenue Recognition-**

a. **Revenue from contracts with Customers:**

Revenue is recognised when or as the entity satisfies associated performance obligation by transferring promised goods or services or both to a customer. This takes place with transfer of control of promised goods or services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those products or services.

Revenue from sale of goods

Revenue from sale of goods manufactured by the company is recognised at a point in time when those are delivered to the customer as per the terms of respective contracts.

Revenue from services

Revenue from erection and commissioning services is recognized on completion of contractual obligations.

b. Other Revenue:

Interest income is recognized on time proportion basis determined by the amount outstanding and the rate applicable using the effective interest rate method.

Dividend income is recognized when the Company's right to receive the same is established.

5.12. Warranty expenses-

The estimated liability for product warranties is recorded at the end of financial year. These estimates are established using historical information on the nature, frequency and average cost of warranty claims and management estimates regarding possible future incidence based on corrective actions on product failures. The timing of outflows will vary as and when warranty claim will arise - being typically up to 2 to 3 years.

5.13. Research and Development Expenses-

- a. Research and Development Expenses, other than Capital Expenses are charged to Profit and Loss Account as and when incurred.
- b. Capital expenditure incurred for research and development activities are included in respective Fixed Assets and Depreciation is provided as per rates specified, in Schedule II of the Companies Act, 2013.

5.14. Tax Expenses-

- a. Provision for Current Tax is made on the basis of taxable income for the current accounting period computed in accordance with the provisions of Income Tax Act, 1961.

The tax rates and tax laws used to compute the amount are those that are enacted or substantially enacted, at the reporting date.

Current income tax relating to items recognized outside the statement of profit and loss is recognized outside the statement of profit and loss, either in OCI or in equity. Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

- b. Provision for Deferred Tax is recognized for all taxable temporary differences between carrying amounts of assets and liabilities in the Company's financial statements and the corresponding tax bases used in computation of taxable profits and is quantified using tax rates and laws enacted or substantially enacted as on the reporting date. Deferred tax asset is recognized and carried forward only to the extent that it is probable that taxable profits will be available against with those deductible temporary differences can be utilized in the future.

5.15. Lease Rent-

The Company's leasing arrangements are in the nature of operating leases, the period of which generally up to 1 year. These arrangements can usually be terminated / renewed by mutual consent on agreed terms.

5.16. Employee Benefits-**a. Short Term Employee Benefits**

Employee benefits such as salaries, wages, short term compensated absences, expected cost of bonus, ex-gratia and performance-linked rewards falling due wholly within twelve months of rendering the service are classified as short-term employee benefits and are expensed in the period in which the employee renders the related service.

b. Post-Employment Benefits:**i. Defined Contribution Plans**

The State governed Employee Pension Scheme, Employees State Insurance Scheme and the Company's Provident Fund administered by an independent Trust are the defined contribution plans. The liability on account of Company's contributions paid or payable under these schemes is recognized during the period in which the employee renders the related service and is charged to the Statement of Profit and Loss. The Company has no further obligation beyond these contributions towards employees.

ii. Defined Benefit Plans

The employees' gratuity fund scheme is the Company's defined benefit plan. The present value of the obligation under the said defined benefit plan is determined on the basis of actuarial valuation from an independent actuary using the Projected Unit Credit Method. Actuarial gains and losses are recognized immediately in the balance sheet with a corresponding debit or credit to other comprehensive income in the period in which they occur and not reclassified to Statement of Profit or Loss in subsequent periods.

c. Long Term Employee Benefits:

The accruing liability on account of encashment of leave entitlement of employees as per the rules of the Company is determined and provided for on the basis of the actuarial valuation from an independent actuary. Actuarial gains and losses are recognized immediately in the Statement of Profit and Loss in the period in which they occur.

5.17. Earnings Per Share-

Basic EPS amount is calculated by dividing the net profit for the year attributable to equity holders of the Company by the weighted average number of Equity shares outstanding during the year. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources.

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders of the Company by the weighted average number of Equity shares outstanding during the year plus the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares.

6. Recent Accounting Pronouncements

Ministry of Corporate Affairs ("MCA"), through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified new Ind AS-116 issued amendments to certain existing Ind ASs which the Company has not applied as they are effective from 01.04.2019. The details are given below:

Ind AS 116 – Leases:

Ind AS 116 will replace the existing leases standard, Ind AS 17 Leases. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single, on-balance sheet lessee accounting model for lessees. A lessee recognises right-of-use asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments. The standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17. The standard permits two methods of transition- (1) Full Retrospective and (2) modified retrospective. Certain practical expedients are available under both the methods. The Company is evaluating the impact of transition and new provisions on the Financial Statements.

Ind AS 23 – Borrowing Costs:

The amendments clarify that if any specific borrowing remains outstanding after the related asset is ready for its intended use or sale, that borrowing becomes part of the funds that an entity borrows generally when calculating the capitalisation rate on general borrowings. The Company does not expect any impact of the amendment on its financial statements.

Other amendments:

- a. **Ind AS 12 -Income Taxes-**Amendments Relating to Income Tax Consequences of Dividend and Uncertainty Over Income Tax Treatments
- b. **Ind AS 109- Financial Instruments-** Amendments Relating to Prepayment Features with Negative Compensation
- c. **Ind AS 28 – Investments in Associates and Joint Ventures -**Amendments Relating to Long-term Interests in Associates and Joint Ventures

39. Disclosure pursuant to Ind AS 107 -Financial risk management

The activities of the Company expose it to a variety of financial risks. The Company's risk management policies are focused to identify the unpredictability of financial markets, put required controls, monitor and minimize potential adverse effects on its financial performance. The risk management policies and systems are reviewed periodically to reflect changes in market conditions and company's activities. Board of Directors has overall responsibility for the setup and oversight of company's risk management framework.

The company has exposure to the following risks arising from financial instruments:

(A) Credit risk; (B) Liquidity risk and (C) Market risk.

(A) Credit risk:

Credit risk refers to the risk of default on its obligation by the customer or counterparty in meeting its contractual obligations, resulting into a financial loss to the company. The maximum exposure to the credit risk is primarily from company's trade and other receivables amounting to Rs. 2,446,911/-. Details of receivables and other current assets are as per the table below:

(Amount in `)

PARTICULARS	AS AT 31 st March 2019	AS AT 31 st March 2018
Investments	20,000	20,000
Loans	599,300	512,300
Trade Receivable	1,424,131	4,747,165
Cash & Cash Equivalents (Excluding Cash on Hand)	381,437	17,629,433
Bank Balances (Other Than Cash & Cash Equivalents)	-	306,138
Other Financial Assets	26,598,176	13,486,537
Total financial Assets Carried at Amortised Cost	29,023,044	36,701,573
Investments	258,966,028	275,638,288
Total Financial Assets Carried at Fair Value	258,986,028	275,638,288

Receivables are reviewed, managed and controlled for each customer separately. Credit risk is managed through credit approvals process by establishing credit limits and continuously monitoring the creditworthiness of customers to whom credit is extended in the normal course of business. An impairment analysis is performed at each reporting date on an individual basis for major customers. Company has a practice to provide for doubtful debts on a case to case basis after considering inter-alia customer's credibility etc.

The allowance for Expected Credit Loss on customer balances for the year ended March 31, 2019 and March 31, 2018 was Rs. 349,142/- and Rs. 2,440,851/- respectively.

There is no significant credit risk on cash and cash equivalents as the Company generally invest in deposits with banks.

There is no significant credit risk on other receivables, which mainly comprise of security deposits and amounts with statutory authorities.

(B) Liquidity risk

Liquidity risk refers to the risk that the Company may encounter in meeting its obligations associated with its financial liabilities on time or at a reasonable price. The Company's Accounts and Finance department is responsible for liquidity and fund flow management. In addition to that, processes and policies related to such risks are overseen by the Senior Management. Management monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows. ?

The Company has no outstanding term borrowings as on 31 March 2019.

(C) Market risk:

Market risk refers to the risk that the fair value of future cash flows of a financial instrument will fluctuate due to changes in market prices. It comprises of below mentioned three types of risks:

- i) Currency risk
- ii) Interest rate risk
- iii) Other price risk such as equity/debt securities price risk
 - i) Currency risk

Currency risk refers to the risk that arises when future commercial transactions and recognized assets and liabilities are denominated in a currency that is not the Company's functional currency. Currency risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates.

The Company mainly operates in Indian domestic market. The maximum exposure to the currency risk is primarily from trade payables on account of goods imported into the country. The Company does not have any foreign currency payables as at the year-end hence, the Company does not have any currency risk at present.

G. G. DANDEKAR MACHINE WORKS LIMITED

ii) Interest rate risk

Interest rate risk refers to the risk that fair value or future cash flows of financial instrument will fluctuate because of changes in market interest rates. The Company does not have any long term or short-term borrowings as on year end date hence, the Company does not have any interest risk at present.

iii) Equity Price risk

Price risk refers to the risk of fluctuations in the value of assets and liabilities as a result of change in market prices of Investments.

The fair value of Company's investments measured at fair value through other comprehensive income exposes the Company to equity price risks. These investments are subject to changes in the market price of securities. The fair value of Company's investment in quoted equity securities as at March 31, 2019 and March 31, 2017 and was Rs. 258,966,028/- and Rs. 275,638,288/- respectively.

40. Disclosure pursuant to Ind AS- 108 'Operating Segments'

The Company operates in one segment namely "Food Processing Machinery".

41. Disclosure pursuant to Ind AS 115 -"Revenue from Contracts with Customers":

a. Effective April 1, 2018, the Company has applied Ind AS 115 for determining whether, how much and when revenue is to be recognised. Ind AS 115 replaces Ind AS 11 and Ind AS 18. The standard is applied retrospectively only to contracts that are not completed as at the date of initial application. The impact of the adoption of the standard on the financial statements of the Company is not material / insignificant.

b. Reconciliation of Revenue from Operations with revenue from contracts with Customers

Amount (in Rs.)

Sr. No.	PARTICULARS	For the year 2018-19
1	Revenue recognised over a period of time	-
2	Revenue recognised over a period of time Manufacturing Activity	47,684,431
3	Total Revenue from Contract with Customer (1 to 2)	47,684,431
4	Total Revenue from Operations as per Note No. 26	47,684,431

c. Particulars of Performance obligations relating to Revenue from Contract with Customers

i. Manufacturing Activities

The Company is manufacturer of Machinery for Rice Milling. The performance obligations of the company for these activities are generally satisfied as and when goods are delivered and/or erected as the case may be depending upon terms of respective contracts. Payments are received in advance and/or as per pre-decided mile stones depending on the terms of the respective contracts.

b. As the entire revenue is recognised 'at point in time' there are no contract assets and contract liabilities for the Company.

c. The Company has opted for practical expedient as all the performance obligations have an original expected duration of one year or less. Hence, disclosure regarding 'transaction price allocated to the remaining performance obligations' is not required.

42. During the year, provision of Rs. 29,57,000/- has been made for settlement of labour dues of earlier years.

43. During the year ended 31st March 2019, the Company sold certain investments being equity shares of listed companies, for Rs. 81,75,428/-. The sale resulted in a Profit of Rs. 50,85,473/- which has been transferred to Retained earnings with corresponding adjustment in the 'Other Comprehensive Income' under Other Equity.

44. Impairment of Assets:

The Company reviews the carrying values of its assets for ascertaining indication of impairment, if any, at each Balance Sheet date. As there has been a considerable reduction in, the value in use, of the Plant & machinery, Factory and Office Building as compared to carrying values as a result of overall slowdown in production as well as turnover and

liquidity crisis over last few years. Based on the calculations done by the management of the Company, the fair market value of the enterprise/business of the Company, based on the present value of future cash flows discounted at the appropriate rate is calculated. Considering the said valuation, the Company has recognized the impairment loss of Rs.10,912,385/- in the statement of Profit & Loss, by allocating it to the carrying values of the Plant & machinery, Factory and Office Building owned by the Company, as carrying values of all the other corporate assets of the Company are broadly representing its fair value as on the date of review.

45. In cases where letters of confirmation have been received from parties, book balance have been generally reconciled and adjusted, if required. In other cases, balance in accounts of sundry debtors, sundry creditors and advances or deposits have been taken as per books of account.
46. The Company owes amounts to suppliers under The Micro, Small and Medium Enterprises Development Act, 2006 [MSMED Act]. The disclosure pursuant to the said Act are as under:
