ANNEXURE TO THE NOTICE

As required by Section 102 (1) of the Companies Act, 2013 and pursuant to Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the following Statement sets out all material facts relating to Item No. 2 in the accompanying notice of 78th Annual General Meeting of the Company to be held on Wednesday, the 9th day of August, 2017 at 11.00 a.m. at 211/A, MIDC Butibori Industrial Area, Kinhi Village, Tah. Hingna, Dist. Nagpur -441122, Maharashtra.

ITEM NO. 2 OF THE NOTICE:

Mr. Madhav R Chandrachud is a graduate in Mechanical Engineering from College of Engineering, Pune and has done his Masters in Business Administration in IMDR, Pune.

He started his career in Kirloskar Oil Engines Ltd., as a Management Trainee to finally retire as a Vice President & Strategic Business Unit Head for Large Engines, in the same company in June 2012. Heading almost all the functions, mainly Manufacturing, Engineering, Quality Assurance & Marketing, mostly associated with Large Engines, enabled him to bring about significant changes in the Business Unit he headed for around 6 years.

Being a management professional throughout, Projects/Contracts management is his core competency. Successful management of two foreign collaborations and the international exposure to technology & vendor management shaped him as a successful leader.

He is not a Director in any other company. He does not hold any equity shares in the company.

Save and except, Mr. Madhav R Chandrachud and his relatives, to the extent of their shareholding interest, if any, in the Company, none of other Directors/Key Managerial Personnel of the Company/their relatives are, in any way, concerned or interested, in the said resolution.

The Board recommends the Ordinary Resolution set out at Item No. 2 for approval by the shareholders.

MANAGEMENT DISCUSSION & ANALYSIS

- This section includes discussion on the following matters within the limits set by the Company's Competitive position:**

(A) INDIAN ECONOMY

Light Engineering Industries:

The capital goods and engineering turnover in India is expected to reach INR 8101 billion by FY 2016-17. Cumulative FDI inflows increased to INR 1823 billion in FY 2016-17 from INR 575 billion in 2010. The government's increasing focus on attracting foreign investors in manufacturing and infrastructure is likely to boost FDI in the sector. With 100 per cent Foreign Direct Investment (FDI) allowed through the automatic route, and initiatives like 'Make in India', major international players have entered the Indian engineering sector due to significant growth opportunities available.

Indian capital goods manufacturers have been facing competition from foreign players; particularly European, Chinese and South East Asian manufacturers. Currently, despite increased domestic capacities, low cost foreign manufacturers offer tough competition to domestic manufactures in some segments of the industry.

The Indian Meteorological Department has predicted 'el nino' effect on southwest monsoon for 2017. Quantitatively, the monsoon seasonal rainfall is likely to be 90 to 96% of the long-period average (LPA). Anything between 96-104% of the LPA is considered 'normal'. Anything under 96% is considered 'below normal' and 104-110% of the LPA is 'above normal'. Last year, the IMD had made an initial forecast of above-normal rainfall but the season ended with normal precipitation.

Moreover, the southern peninsula had registered less-than-predicted rainfall, with several parts of Tamil Nadu, Karnataka and Kerala reeling under drought-like conditions.

It is likely to have a mixed effect on economy in many ways. Inflation will come down, agriculture productivity will improve and rural consumption will increase. A lower inflation will lead to low interest rates. Overall moderate to normal rainfall will be useful for rice production and in turn will maintain demand for Rice Milling Machinery.

(B) INDUSTRY STRUCTURE AND DEVELOPMENT

The main business of the company is to manufacture Food Processing Machineries especially for Rice Milling. With over a century of experience, the company products are benchmark for the Rice Milling industry. The company also offers consolidated solutions for Rice Milling projects from conceptualization of turnkey mill to improving and modifying existing mills.

(C) OPPORTUNITIES AND THREATS

The company is working to extend its market coverage to access more than 80% rice pockets in India. It has worked on sales network and has resulted in increased enquiry level for its products. As a result 20% of Business is achieved from new markets from North and Central India. It addresses growing markets and reduces dependency on traditional markets.

The company continues its focus on Research & Development activities and has developed several new products. It has given a leading edge over local competitors. It has also opened up new markets for full mill business.

The company has noticed a change in buying pattern wherein customers is giving preference to organized manufacturers over local un-organized machinery suppliers and it gives business opportunity to the company.

Rice miller's business margin has reduced as paddy purchase prices are increased by govt. (Min Support Price) and market price is down by 20%.

Demonetization has resulted in a significant cash crunch, thereby leading to deferment of paddy procurement by millers/traders. Further, given that a large part of the rice industry is unorganised, there is a reduction in their buying capacity. Overall, there is expected to be some contraction in paddy demand in the near term, which could exert pressure on prices. Also, given the temporary reduction in purchasing power of the end users, the rice demand is expected to slacken, which would translate into lower realisation. The organised Basmati rice players generate approximately 45% of revenues from domestic sales and this segment is likely to witness lower revenues in H2 FY2017. The long-term impact of the demonetization exercise is expected to be transformational in nature by making more farmers adopt formal banking channels for transactions.

However continuous fall in rice price over last two years coupled with drop in exports has resulted in drop in investment plans by millers. It has lowered the overall market size for rice milling machinery and increased competition amongst increased number of manufacturers.

Such fear of competition has promoted dilution in commercial policies leading to squeezed margins and inferior business terms which company has to face in the market.

(D) SEGMENT-WISE PERFORMANCE OR PRODUCT-WISE PERFORMANCE

The company has maintained its leadership in traditional flagship products like Dandekar Cone Polishers and Table type Paddy Separator. The company has progressed well on new product development and has made 20% business through new products. The company has done major business in Polishing and Grading section. The company has introduced high end technology product "Colour Sorter" machine.

(E) OUTLOOK

Rice is one of the most crucial food crops in the world and a staple diet for nearly half the global population. Over 90% of the global rice output and consumption is centered in Asia, wherein the world's largest rice producers, China and India, are also the world's largest rice consumers. High domestic consumption and restrictive trade policies of several countries for rice have restricted the international trade of rice to only 6-7% of the production. Food security objectives and the need to provide income support to domestic producers are the main reasons cited by countries to restrict rice imports

Overall Production of Rice is estimated 105 mn ton (Growth of 2%) but Basmati paddy prices have witnessed significant decline in FY2016, thereby rendering cultivation of basmati paddy a less attractive option for farmers. The total area under cultivation is expected to have fallen from around 2.1 million hectares in FY 2016 to 1.6 million hectares in the FY 2017 resulting in a production decline from around 9.8 to 8.0 million tonnes during the same period. Similarly Export of Rice decreased from 10.2 mn ton to 9 mn ton (Mainly Basmati 4.1 mn ton to 3.4 mn ton).

G. G. DANDEKAR MACHINE WORKS LIMITED

Overall it will have a mixed effect on Indian rice milling machinery business wherein investment budgets will be squeezed putting pressure on machinery prices.

(F) RISK AND CONCERNS

Risks of critical importance have been identified over a period of time. These risks are ranked on the basis of their impact on company's business and likelihood of their occurrence. A cross functional team takes stock of these risks and calls for necessary measures to mitigate the risks from the concerned risk owners. The risk owners then produce action plans for risk mitigation which is then evaluated by the team. New risks are added with the changes in economic and market scenarios and undergo the same process.

Identified risks include:

- Stagnating market growth: As domestic rice production lags a rise in consumption, overall stock levels are expected to de-cline.
- A fall in exports earlier due to ban by Iran and lower prices in international market will largely marginalise India's rice exports. The government is also not expected to intervene in the export market, as its buffer stocks are well above mini-mum requirements.
- El nino effect on rainfall and unfavorable weather conditions: Output of food-grain is reduced and will hampered the overall growth in this sector.
- Steady growth of Chinese, Thai and Korean products contributed by both organized and un-organized Rice Mill Manufacturers
- Change in the govt. policies (State and Central), FCI is stopped in states like AP, Telangana, etc

(G) INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has adequate internal control systems to ensure operational efficiency, accuracy and promptness in financial reporting and compliance of various laws and regulations.

The internal control system is supported by the internal audit process. An Internal Auditor has been appointed for this purpose. The Audit Committee of the Board reviews the Internal Audit Report and the adequacy and effectiveness of internal controls periodically.

(H) COMPANY'S FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

During the financial year under review, your company has achieved turnover of ` 1216.03 Lacs (previous year ` 1051.12 Lacs). The net loss is ` 257.48 Lacs (as against net loss after taxes ` 419.14 Lacs during FY 2015-16).

(I) MATERIAL DEVELOPMENT IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FORMAT, INCLUDING NUMBER OF PEOPLE EMPLOYED

The Company seeks to recruit and retain quality industry professionals and provide them with a high performance environment.

During the financial year, total workforce of the Company was 98.

(J) ENVIRONMENT

The Company has obtained certification of ISO 9001:2008, for the purpose of standardization. The Company takes due care in the selection and usage of appropriate material and methods in order to avoid violation of norms formulated to safeguard the environment.

(K) CAUTIONARY STATEMENT

Statements in this Report, particularly those which relate to Management Discussion and Analysis, describing the Company's objectives, projections, estimates and expectations may constitute "forward looking statements" within the meaning of applicable laws and regulations. Actual results might differ materially from those either expressed or implied.

(L) LISTING FEES

The annual listing fees for the year under review have been paid to BSE Limited, where your Company's shares are listed.

(M) COMPANIES AND CONSOLIDATED FINANCIAL STATEMENTS

As on 31st March 2017, the Company has no subsidiary company.

The Board presents Standalone Audited Financial Statements as prepared in compliance with the Accounting Standards, Companies Act and the Listing Regulations.

2. Disclosure of Accounting Treatment:

There is no deviation in accounting treatment, since the Financial Statement has been prepared in line with Accounting Standards.

G. G. DANDEKAR MACHINE WORKS LIMITED

Independent Auditor's Report

To the Members of
G. G. Dandekar Machine Works Limited,
Nagpur.

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of G. G. Dandekar Machine Works Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2017, the Statement of Profit and Loss and the Cash Flow Statement for the year ended on that date, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in sub-section 5 of Section 134 of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 ("the Rules"). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under sub-section 10 of Section 143 of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017 and its loss and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2016 ('the Order'), issued by the Central Government of India in exercise of powers conferred by sub-section 11 of section 143 of the Act, we enclose in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by sub-section 3 of Section 143 of the Act, we report that :
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Rules.
 - e) On the basis of the written representations received from the Directors as on 31st March, 2017 and taken on record by the Board of Directors, none of the Directors are disqualified as on 31st March, 2017 from being appointed as a Director in terms of sub-section 2 of Section 164 of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B" and
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us;

Accordingly, paragraph 3(iv) of the Order is not applicable to the Company.
- (v) The Company has not accepted any deposits from the public in accordance with the provisions of sections 73 to 76 of the Act and the rules framed there under.
- (vi) We have broadly reviewed the records maintained by the Company pursuant to the rules prescribed by Central Government for maintenance of cost records under sub section 1 of Section 148 of the Act and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the records.
- (vii) (a) According to the information and explanations given to us and records of the company examined by us, the company generally is regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income- tax, sales-tax, service tax, value added tax, cess and any other material statutory dues with the appropriate authorities and there were no arrears of outstanding statutory dues as at the last day of the financial year concerned for a period of more than six months from the date they became payable;
- (b) According to the information and explanation given to us, there are no dues of income tax, sales tax, value added tax, Service tax, duty of customs, duty of excise which have not been deposited with the appropriate authorities on account of any dispute other than those mentioned in Annexure I to this report.
- (viii) The Company has not defaulted in repayment of loans or borrowings to the banks. The Company does not have any loans or borrowings from any financial institution or Government, nor has it issued any debentures, as at the balance sheet date.
- (ix) The Company has not raised any money by way of initial public offer, further public offer (including debt instruments) and term loans during the year. Accordingly, the provisions of Clause 3(ix) of the Order are not applicable to the Company.
- (x) According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year.
- (xi) According to the information and explanations given to us and based on our examination of the records, the Company has paid / provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V of the Act.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.

- (xiii) According to the information and explanations given to us and based on our examinations of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act, where applicable. The details of such related party transactions have been disclosed in the financial statements as required under Accounting standard (AS) 18, Related Party Disclosures specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (xiv) According to the information and explanations give to us and based on our examination of the records, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, the provisions of Clause 3(xiv) of the Order are not applicable to the Company.
- (xv) According to the information and explanations give to us and based on our examination of the records, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, provisions of paragraph 3(xv) of the Order are not applicable.

ANNEXURE–B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Act

We have audited the internal financial controls over financial reporting of G. G. Dandekar Machine Works Limited ("the Company") as of 31st March, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act 2013 ("the Act").

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2017, based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by ICAI.

Note B: NOTES FORMING PART OF ACCOUNTS- SIGNIFICANT ACCOUNTING POLICIES:**1. Method of accounting:**

These Financial Statements have been prepared under the historical cost convention on accrual basis, in accordance with the Generally Accepted Accounting Principles in India (GAAP), which includes mandatory accounting standards as prescribed u/s.133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014, and in compliance with the provisions of the Act to the extent notified. The accounting policies discussed below are consistent with those used in the previous year, unless otherwise stated.

2. Use of Estimates:

The preparation of financial statements in conformity with the generally accepted accounting principles requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of financial statements and reported amounts of revenues and expenses during the reported period. Difference between the actual results and estimates are recognized in the period in which the results are known/ materialized.

3. Fixed Assets:

Fixed assets are stated at cost, less accumulated depreciation or amortization. Cost is inclusive of freight, duties, taxes (to the extent of credit not availed) and incidental expenses related to acquisition, installation, erection and commissioning. Financing costs relating to acquisition of qualifying fixed assets are also included to the extent they relate to the period till such assets are ready to be put to use.

4. Depreciation and Amortization:

- a) Depreciation on fixed assets is charged on Written Down Value Method using the useful lives and residual values of all the assets as prescribed under Part – C of Schedule II to the Companies Act, 2013, except as stated in para (b) & (c) below
- b) Cost of Leasehold Land is amortized over remaining period of lease agreement.
- c) Computer Software are being amortised on Straight Line basis over a period of 6 years.

5. Investments:

Long term investments are stated at cost. Provision is made to recognize the decline, other than temporary in nature, in carrying amount of such investments. Current investments are stated at the lower of cost or fair value.

6. Inventories:

- a) Inventories are valued at lower of cost or estimated net realizable value.
- b) Cost of raw materials, components, consumables, tools, stores and spares is arrived at on weighted average cost basis.
- c) Cost of finished goods and Work in progress is arrived at on the basis of weighted average cost of raw material and other cost of conversion thereof for bringing the inventories up to their present location and condition.

7. Foreign Currency Transactions:

- a) Initial Recognition: Foreign Currency Transactions are translated into Indian Rupee at the exchange rates prevailing on the date of transactions.
- b) Conversion: At the end of accounting year, the monetary items denominated in foreign currencies are restated at the exchange rates prevailing on the last day of the accounting year.
- c) Exchange Differences: The exchange differences arising on settlement/ conversion of foreign currency transactions are recognized in Profit and Loss Account.

8. Research and Development Expenses

- a) Research and Development Expenses, other than Capital Expenses are charged to Profit and Loss Account as and when incurred.
- b) Capital expenditure incurred for research and development activities are included in respective Fixed Assets and Depreciation is provided as per rates specified, in Schedule II of the Companies Act, 2013.

9. Revenue Recognition:

- a) Sales are accounted for net of Central Sales Tax and Value Added Tax.
- b) Revenue from sale is recognized when the significant risks and rewards of ownership of goods have been passed to customers, which generally coincides with their removal from Factory.
- c) Revenue from erection and commissioning services is recognized on completion of contractual obligations.
- d) Interest income is recognized on accrual basis at applicable interest rate.
- e) Dividend income is recognized when the Company's right to receive dividend is established.

10. Warranty expenses:

The estimated liability for product warranties is recorded at the end of financial year. These estimates are established using historical information on the nature, frequency and average cost of warranty claims and management estimates regarding possible future incidence based on corrective actions on product failures. The timing of outflows will vary as and when warranty claim will arise - being typically up to 2 to 3 years.

11. Employee Benefits:

a) Short Term Employee Benefits:

All employee benefits falling due wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages, bonus and other allowances and short term compensated absences etc. are recognized in the period in which the employee renders the related service.

b) Post-Employment Benefits:

i. Defined Contribution Plans:

The State governed Employee Pension Scheme, Employees State Insurance Scheme, the Company's Provident Fund administered by an independent Trust and the Company's Superannuation Scheme are the defined contribution plans. The liability on account of company's contribution paid or payable under these schemes is recognized during the period in which the employee renders the related service and is charged to the Profit and Loss account. The Company has no further obligation beyond these contributions.

ii. Defined Benefit Plans:

The employees' gratuity fund scheme is the Company's defined benefit plan. The present value of the obligation under the said defined benefit plan is determined on the basis of actuarial valuation from an independent actuary. Actuarial gains and losses are recognized immediately in the Profit and Loss Account.

c) Long Term Employee Benefits:

The accruing liability on account of encashment of leave entitlement of employees as per the rules of the Company is determined and provided for on the basis of the actuarial valuation from an independent actuary. Actuarial gains and losses are recognized immediately in the Profit and Loss Account.

12. Provision for Current and Deferred Tax:

a) Provision for Current Tax is made on the basis of estimated taxable income for the current accounting period and in accordance with the provisions of Income Tax Act, 1961.

b) Provision for Deferred Tax resulting from 'Timing Difference' between books and taxable profits for the year is accounted for using the tax rates and laws that have been enacted or substantially enacted as on balance Sheet date.

c) Deferred tax assets for tax loss and depreciation carried forward are recognized to the extent that the realization of the related tax benefit through the future taxable profits is virtually certain and is supported by convincing evidence that sufficient future taxable profits can be realized.

13. Borrowing Cost:

Borrowing costs are charged to Profit and Loss Account, except in cases where borrowings are directly attributable to acquisition, construction or production of a qualifying asset. A qualifying asset is one which necessarily takes substantial period of time to get ready for intended use.

14. Impairment of Assets:

Provision for impairment loss, if any, is recognized to the extent by which the carrying amount of an asset exceeds its recoverable amount. Recoverable amount is the higher of an asset's net selling price and its value in use. Value in use is determined on the basis of the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life.

15. Provisions, Contingent Liabilities and Contingent Assets:

a) Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation, if:

- i. The company has a present obligation as a result of past event,
- ii. The probable outflow of resources is expected to settle the obligation, and
- iii. The amount of obligation can be reliably estimated.

b) Contingent liabilities are disclosed in the case of:

- i. A present obligation arising from a past event, when it is not probable that an outflow of resources will be required to settle the obligation.
- ii. A possible obligation unless the probability of outflow of resources is remote.

c) Contingent Assets are neither recognized nor disclosed.

Provisions & Contingent Liabilities are disclosed after an evaluation of the facts and legal aspects and the amounts are reviewed at each balance sheet date.
